

# WANTED!!!

The Garda Síochána Historical Society are presently campaigning to digitize old police photographs, artefacts & documents before the identities/stories associated with the items are forgotten.

We have organised a special Police Memorabilia Event at The Bedford Tower, Dublin Castle, between 10 am and 6 pm on Saturday, 16 November 2013, and we want you to bring along your old DMP, RIC or Garda items so that we may photograph/scan them. You can tell us a little about them and then bring them home with you.

We will also be providing a series of **FREE** lectures on the day.

## **FREE LECTURES**

- 12 noon - The Lock Out by Mr. Padraig Yeates
- 2 pm - The Theft of the Irish Crown Jewels by Dr. Myles Dungan
- 4pm - Spying on Ireland - The Intelligence War during WWII by Prof. Eunan O'Halpin

**Admission is free**
